- SEPARID Meetings and Locations:

- November 5, 2007- Our General Meeting was held on a week night at CCP, Community College of Philadelphia. This was a top suggestion of the membership. There was a very low turnout to the meeting.
- January 9 & 15, 2008 - It will be held at the CCP in Philadelphia, PA. These meetings were held to gather SEPARID member input to help explain upcoming changes by RID that will be affecting local chapters. Cindi Brown drove down to help conduct these meetings.
- May 17, 2008 - Meeting will be held in Philadelphia, PA at Hebrew Association for the Deaf (HAD). A free 1 hour workshop presented by Bud Schrader called Tactile Interpreting will be offered.
- Board meetings were held on 5/11/07, 9/10/07, 12/1/07, 2/8/08, 4/5/08
- Workshops:
 - The SEPARID board has organized a workshop at our next general meeting to be free for all attendees.
 - SEPARID has been working on offering more education opportunities for its members. Unfortunately we have not had much success. We have solicited several presenters and have not been able to set anything up to date. We hope once the board members have some time after the PARID conference to focus on this. We do not have an active PDC at the moment.
- Fundraisers:
 - Denise Kirby has set up several ongoing fundraisers with restaurants and used ink cartridges. We hope members continue to participate.
 - When SEPARID was still GPRID, a fundraiser was run. It was a cookbook with recipes from interpreters and family. There are still available. The recipes are good and the helpful hint pages are very useful. SEPARID is selling them for \$5.00. They will be available at the PARID conference.
- SEPARID board and committee positions:
 - The SEPARID board has been frustrated in trying to find people who are not SEPARID, or PARID Board members, or current PARID committee members to come forward to help with manpower for the board or committee positions. We have just finally filled our corresponding secretary position in the last month.
 - The board is hopeful that the re-organization will help alleviate this situation.
- Officer Elections
 - SEPARID had 3 positions up for elections in November 2007: 1 co-president, corresponding secretary, and treasurer
 - Bud Schrader was elected by acclamation for co-president and Paul Panusky was elected by acclamation for treasurer. There was no one nominated for corresponding secretary. The board appointed Jennifer Breisch for corresponding secretary in March.
- RID 2009 Promotional video: May, 2007 SEPARID co-presidents, Megan Meiris and Nichole Wade, planned, scheduled, and assisted in the video taping of the RID 2009 Conference promotional video.
- Interpreting Students:
 - Co-president, Nichole Wade, was invited to speak to CCP twice last week to talk to the students about RID, PARID, SEPARID and laws affecting interpreters. Cindi Brown, PARID president was also there at the second meeting.

RID Region I Report – Jeremy Brunson, CI and CT

- The Goal of RID is to support the members. Several groups are working toward that end.
- The RID board has been working with the national office to come up with strategic plan focusing on 3 different areas: Standards, Relationships, and Resources.

- The membership is increasing with currently over 13,000 members. RID is a large organization compared to 5-10 years ago.
- The Associate degree requirement to sit for an RID exam has been extended until June 30, 2009.
- Publications
 - The *Views* will now be sent quarterly instead of monthly.
 - We will have e-news and biweekly e-news
- The CMP is currently up to date at the office. New software will enable the office to update the website as soon as the workshop information is entered.
- Each region will have its own website where information can be accessed related to each organization.
- RID is investigating the possibility of expanding the national office in the future
- The RID board has approved the next fiscal budget which includes hiring three new staff members.
- Motion 2007.28, To direct affiliate chapters to convert all local chapters to sub-committees by July 1, 2012 and to direct the national office to engage in each of the activities necessary to implement this action.
 - For the last 3 years, RID’s auditors have recommended that RID become more strict with the structure of RID in relation to the Affiliate Chapters and Local Chapters.
 - Several members expressed concern about the amount of time it would take to get reimbursement/payments. Once suggestion to alleviate this concern is to have petty cash on hand in each district.
 - Concerns were expressed about each district losing its identity and possibly not being able to keep its current name.
 - This transition is a positive move as PARID has 501 (c)(3) status which allows it to contract free meeting rooms at various locations. PARID also has liability insurance. The local chapters will benefit from both of these items.
 - Members expressed concern about RID testing issues and timely response issues.

Unfinished Business

- A member questioned when the Certificates of Deposit (CDs) that PARID has will be renewed. – When the CDs come due, the treasurer will look at the options to make sure we are getting the best rates available.

New Business

- **Motion #2008 – 17.** Beginning with the 2009 PARID annual workshop/conference, each PARID Board member be given a complimentary workshop/conference comprehensive registration and two nights at the conference hotel. **Rationale:** Board members of PARID spend countless hours traveling and doing work on behalf of the membership with little or no reimbursement. There is little recognition for the volunteer hours spent away from family and work. A complimentary registration is in line with national RID and may serve as an enticement to future PARID leaders. **Fiscal Impact:** Approximately \$4,000 added onto the conferment budget. R. Coppelli/E. West. **Motion Carried.**
- A member recommended that PARID investigate an incident where OVR did not pay for two Deaf people to come because of the term “conference” was used instead of “workshops”

- A member inquired about how the board is trying to recruit members including educational interpreters. – President Brown has visited all the ITPs in the state, been in contact with the Pennsylvania State Education Association that some educational interpreters are members of, and is working with PaTTAN.
